

Dear Mr. Jones,

Thank you.

Thank you for taking the time to stop by the Allied Gate Company booth at the recent Southwest Builders Show. Thank you for giving us the opportunity to tell you about our company.

We'd love to talk with you in more detail about what sets Allied Gate Company apart from other wrought iron manufacturers (including our competitive pricing, high quality, industry-leading service, powder-coating manufacturing process, and state-of-the-art shop). And, we want to know more about you – your needs and concerns.

One of our sales representatives will be contacting you shortly to set up an appointment – at your office or ours. In the meantime feel free to give us a call or send us an e-mail. Because anyone can offer you wrought iron gates, fences, and security doors. But only Allied Gate Company can offer the Allied Gate Company advantage.

Looking forward to meeting with you,

Robert Alvarado
President Marketing/Sales, Allied Gate Company

P.S. Let's talk in more detail about how Allied Gate Company can deliver the competitive pricing, high quality, and industry-leading service you demand – and then some. Give us a call or send us an e-mail today!
