

Ultra C20+ Triple Anti-Aging Serum

Illustre Essenza™ Ultra C20+ Triple Anti-Aging Serum reduces the signs of aging on your skin with a combination of three powerful ingredients, including:

- 20% Vitamin C (L-ascorbic Acid), an antioxidant that brightens your skin and helps to reduce signs of environmental damage
- 15% Matrixyl™ 3000*, which minimizes the appearance of fine lines and wrinkles - the telltale signs of aging
- 1% Vitamin E (D-alpha-Tocopherol), a soothing antioxidant that helps restore the appearance of healthy skin

And with Mandarin Orange and Sweet Orange oils, Ultra C20+ gives your skin a sweet, revitalizing boost.

**Matrixyl™ 3000 is used under authorization of Sederma, Inc.*

Ultra Revitalizer Anti-Aging Booster

Illustre Essenza™ Ultra Revitalizer Anti-Aging Booster is the ultimate revitalizer for the sensitive skin around your eyes. It soothes under-eye puffiness; reduces the appearance of dark circles; softens the appearance of fine lines and wrinkles; and lessens the signs of environmental damage. Natural Citrus oils give Ultra Revitalizer a refreshing, invigorating scent.

Ultra Revitalizer's powerful ingredients include:

- 20% L-ascorbic Acid (Vitamin C), an antioxidant that brightens the skin around your eyes and helps to reduce signs of environmental damage
- Alpha Lipoic Acid and D-alpha Tocopherol, antioxidants that help reduce the appearance of damage from free radicals and encourage a healthy-looking, glowing complexion
- Shea Butter, a luxurious moisturizer that soothes and nurtures your skin

Ultra Peptide Dual Defense

Illustre Essenza™ Ultra Peptide Dual Defense Serum is formulated to help your skin look and feel smoother, tighter, and younger. The Ultra Peptide formula includes:

- 15% Matrixyl™ 3000* and 10% Argireline®**, which help to reduce the appearance of fine lines and wrinkles
- Powerful antioxidants, including Vitamin A Palmitate and GABA, that work to make your skin appear smoother and firmer and to reduce the appearance of skin discoloration
- L-sodium Hyaluronate and Squalane, two powerful moisturizers that help restore the appearance of youthful, nourished skin
- Green Tea (Camellia Sinensis Leaf) Oil, which leaves your skin feeling uplifted and rejuvenated

**Matrixyl™ 3000 is used under authorization of Sederma, Inc.*

***Argireline® is a registered trademark used under the authorization of Lipotec S.A.*

Ultra SPF

Illustre Essenza™ Ultra SPF 30 Antioxidant Complex Cream is not your ordinary SPF. Formulated with ZinClear™, Ultra SPF creates a powerful barrier between your skin and the sun's harmful UVA and UVB rays. Ultra SPF's other benefits include:

- It's transparent. With Zinc Oxide particles so small, Ultra SPF won't leave any white residue
- Ultra SPF is formulated with powerful antioxidants that work to make your skin look healthier and younger
- Water-soluble moisturizers, including Squalane, Jojoba and Wheat Germ Oil, give your skin a healthy, nourished feel
- Willowherb leaves your skin feeling soothed and rejuvenated
- Ultra SPF is sensitive enough to be used on even the most delicate faces

Brightening Wash

Restores a radiant glow

Illustre Essenza™ Brightening Wash helps to reduce signs of discoloration and restore your skin's radiant glow. Essential oils add a soothing touch and leave your skin feeling luxuriously smooth. Excellent for even the most sensitive skin, Illustre Essenza™ Brightening Wash is formulated with all-natural, Chirally Correct® ingredients designed to restore and rejuvenate, including:

- Skin brighteners Morus Alba Bark Extract, Licorice Root Extract, Kojic Acid, and GABA, which fade age spots and brighten discolored skin to leave you with an even, radiant complexion
- Shea Butter, a powerful antioxidant that firms, moisturizes, and protects your skin against sun damage
- Green Tea Extract, an antioxidant that soothes and nourishes while also increasing the effectiveness of sunscreen
- Black Currant Seed Oil, which helps restore your skin's softness and moisture
- Cranberry Seed Oil, which moisturizes and soothes irritated skin while reducing the signs of aging

Brightening and Soothing Toner

Brightens, refreshes, and soothes

Illustre Essenza™ Brightening and Soothing Toner helps to refresh and soothe tired skin. All-natural skin brighteners help reduce signs of discoloration and restore your skin's radiant glow, while essential oils help to moisturize and repair rough, dry skin. Illustre Essenza™ Brightening and Soothing Toner is formulated with all-natural, Chirally Correct® ingredients including:

- Skin brighteners Morus Alba Bark Extract, Licorice Root Extract, and Kojic Acid, which fade age spots and brighten discolored skin to leave you with an even, radiant complexion
- Willowherb and Willow Bark extracts, naturally soothing anti-inflammatories that also stimulate new cell formation and fight against acne bacteria
- Cassia Angustifolia Seed, which helps to provide long-lasting moisture and repair rough, dry skin
- Green Tea Extract, an antioxidant that soothes and nourishes while also increasing the effectiveness of sunscreen
- Honey Extract, an anti-bacterial that soothes and moisturizes
- Phospholipids and Sphingolipids, which naturally soothe, moisturize, and help your skin's cells regenerate
- L-sodium Hyaluronic, one of the best natural moisturizers, which helps skin appear smoother and firmer
