Online Proofing Made Easy

Pictology makes online proofing of your events easy – saving you time, helping you make more money, and offering you greater flexibility. In fact, our uploader application is so fast and easy that you can create an online gallery in 73 seconds! Watch the video to see for yourself.

Pictology saves you time

- Simplify your workflow with automatic order processing
- Drag and drop images into your online gallery
- Automatically retrieve all of the images in your order – no more folder-to-folder hunting
- Offer your customers secure credit card payment options
- Use Pictology with a Mac or a PC

Pictology helps you make more money

- Reach more customers and sell more photos
- Market your business and promote your events

Pictology gives you flexibility

- Automatically process orders using one of Pictology's professional lab partners, send orders to your own lab, or print them yourself – you make the choice
- You determine what products and prices you offer online
- Take advantage of Pictology's customizable discount pricing to drive demand for your event photos
- Choose from automated and custom e-mail marketing services to reach out to your customers

So try Pictology today – risk-free

- Set up with Pictology at no cost
- Take Pictology for a test drive – sign up without obligation and upload up to 2 events for free
- When you're ready to sign up for our unlimited package, you'll pay only $49.99 per month with no long-term agreement required
- Enjoy a low commission rate of 7.5% – which includes all credit card processing fees

You have nothing to lose – and you have time, money, and flexibility to gain. Try Pictology today!
